SUNRAY

Nineteen Hundred Sixty two

Annual Publication of

SUNBURY HIGH SCHOOL

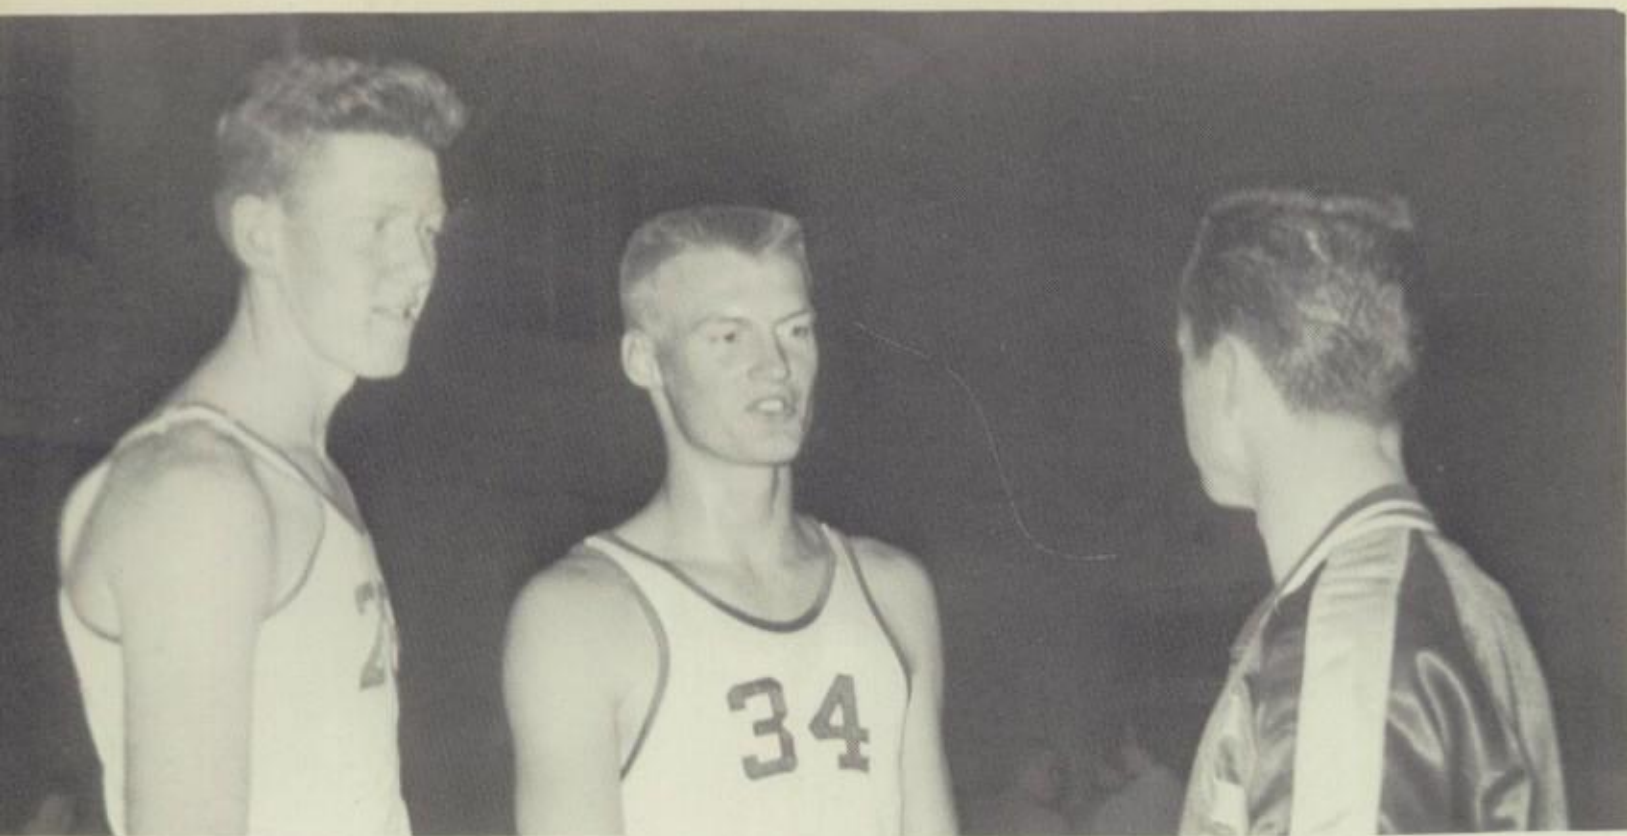

Sunbury, N. C.

FOREWORD

Each day at Sunbury High School brings something new and exciting. The SUNRAY staff has tried to portray all aspects of school life and combine them in one book. It would, of course, be impossible to preserve all the memories of a school year in this annual; however, we have tried to capture SCHOOL SPIRIT in the most typical scenes and also the very special events of this year.

We hope that through this edition of the SUNRAY, 1962 will remain in each students's heart as a very special year.
